

FACIAL SCAN POLICY

Angi ("Angi") uses a vendor, Jumio Corporation ("Jumio") to collect and process images of you, including data to the extent it could be construed as a scan of your face geometry that is collected or stored or otherwise construed to be biometric identifiers or biometric information ("Scan Data"), for the purposes of verifying your identity ("Identity Verification Service"). Specifically, the Identity Verification Service compares the facial Scan Data extracted from your photo/video to the facial Scan Data extracted from your government issued photo ID to verify your identity.

Angi does not store your Scan Data. To the extent that Angi would come into possession of your Scan Data, it would securely store all Scan Data and promptly and permanently destroy such Scan Data, unless otherwise required by law or legal process to retain the data. Angi only receives confirmation from Jumio that the person in the photo/video matches the person in the government issued photo ID ("Verification Confirmation").

Angi will:

1. use reasonable standards of care, consistent with its industry, to store, transmit, and protect from disclosure your Scan Data and Verification Confirmation, in a manner that is the same as or more protective than the manner in which it stores, transmits, and protects other confidential and sensitive information,
2. not sell, lease, trade, or, other than to provide services described in this policy, otherwise benefit from Scan Data and Verification Confirmation,
3. other than as set forth herein, not disclose, redisclose, or otherwise disseminate Scan Data and Verification Confirmation unless doing so:
 1. Completes a financial with transaction requested and authorized by you or your legally authorized representative;
 2. Is required by state or federal law, or municipal ordinance;
 3. Is required pursuant to a warrant or subpoena issued by a court of competent jurisdiction; or
 4. Is expressly consented to by you.

Angi is in no way linked to or responsible for the practices of Jumio. Angi encourages you to read Jumio's privacy policies and terms and conditions, which may apply to your Scan Data and Verification Confirmation.

For further information, please see Angi's [Terms of Use](#) and [Privacy Policy](#).
